

ENVIRONMENTAL POLICY

The primary operations of Almarco Maritime Pty Ltd (**"Our Company"**) is to provide marine risk consulting, claim management and marine survey services across a wide range of seaborne cargo, Hull, inland marine, seaports, terminals, and project cargo.

Almarco Maritime Pty Ltd respects our relationship with the natural environment and its ecosystems.

We acknowledge the adverse impacts that human activity can impose and take actions to prevent degradation of those natural systems.

Our company commits to the following principles and practices:

1. Complying with relevant Australian Commonwealth, State and Local environmental policy, practices, regulations and legislation, and industry-specific legislation.
2. Reducing the consumption of natural resources in daily operations, including water, paper, and energy.
3. Maximising the recycling of resources.
4. Disposing of waste appropriately, including e-waste at designated e-waste centres.
5. Committing to the principles of preventing pollution to the environment and continual improvement.
6. Minimising pollution by taking steps to limit carbon emissions resulting from vehicle and air travel.
